

SATURDAY

1 Serra D'Água Valley (Half-Day / Morning)

(See the details of the walk on Monday's programme)

6 Pico do Areeiro / Pico Ruivo / Achada do Teixeira (Full-Day)

This is the walk that will give you a complete perspective of the beauty of the island. Rock formations shoot into the sky like timeless statues. All along this route the views are breathtaking. A profusion of unique plants make this place their natural habitat. In springtime these plants proudly dress themselves in a myriad of colours, displaying their fragile flowers for all to see. Near Pico Ruivo we walk through the oldest heather forest in existence. These ancient trees are many hundreds of years old. We soon arrive at Pico Ruivo the views from there are out of this world.

• Dif. Grade – Difficult walk • Walking time: 5 Hours • Distance: 13 Km.

7 Hidden Corners, The Kings Levada (Full-Day)

This walk situated in the beautiful valleys of São Jorge will take you into the lushest places to be found on the island. Walk through Madeira's rain forest and experience the profusion of herbs and medicinal plants that abound in these valleys and at the same time learn about the healing properties of these ancient remedies. Walk through or behind a waterfall and arrive at a true paradise on earth. The sheer beauty of this place where the silence reign supreme, will take your breath away. Not to be missed.

• Dif. Grade – Moderate walk • Walking time: ±4,5 Hours • Distance: 11 Km.

SUNDAY

5 Referta – Castelejo (Half-Day) Morning

This is an easy and charming walk, along the paths made by man on this area many years ago. You will be able to admire some of the villages on the North Coast. On this walk make sure you take the time to notice how hard it is for local farmers to get around their crops and lands. Just pay attention and look around.

• Dif. Grade – Easy walk • Walking time: ±2 Hours • Distance: 5,5 Km.

8 Wind Lagoon - Levada do Alecrim (Full-Day)

This is a walk unlike any other. Starting at Rabaçal park, deep in the valley of western plateau, you will marvel at the rock pools, that over millions of years have been carved out by the waters as they rush towards the sea, forming magnificent waterfalls and cascades. In summertime bring your costume and enjoy a cool (6°C) crisp swim in these crystal clear and invigorating mountain waters. You will experience a diversity of walking terrain from the flatness of the levadas to the gradients of the mountains tracks, as we make our way up the valley. From forest trekking, along unmarked roots, to scrambling up to one of the oldest levada in the west of the island. An unforgettable experience. Not suitable if you suffer from Vertigo / any physical limitation.

Distance: 11Km, Duration: 4,5 hours, Difficulty: Moderated with irregular terrain.

For your safety, Madeira Explorers may change, postpone or cancel walks at short notice due to adverse weather conditions, landslides, etc.
As some of the walks are slippery at times, good footwear is essential.
